Dear Sir:

Applicant's Attorney held a telephone interview with Examiner Brier on June 9, 2008. During the telephone interview, Claims 9-14 and 26-29 were discussed. It was agreed that Claims 9-14 would be amended to add the word "of" before the word "Claim." It was agreed that Claim 13 would be further amended to add the phrase "stored in the local memory" after the word "object." It was agreed that Claims 26 and 27 would be amended to change the word "method" to the words "computer-readable storage medium." It was agreed that Claims 28 and 29 would be amended to change the word "method" to the word "system." It was agreed that the Examiner would make all of the above-listed amendments in an Examiner's amendment.

All of the above-listed amendments were made in an Examiner's Amendment dated June 25, 2008.

Applicant's Attorney submits that the above-listed claim amendments are made merely to correct typographical errors and also to add clarity to Claim 13 and not for reasons of patentability.

Dated: July 15, 2008

Respectfully submitted,

DALY, CROWLEY, MOFFORD & DURKEE, LLP
